DID YOU KNOW?

FEATURES AND BENEFITS:

- 1-minute contact time for virucidal, bactericidal (including TB), fungicidal activity
- 1-step cleaner and disinfectant*
- Available in multiple configurations for your office needs
- Fragrance-free
- Bleach-free
- Multi-purpose cleaner for everyday use

*In the case of contamination with blood/other bodily fluids or when gross visible debris is present, a thorough cleaning of surfaces and objects must occur prior to disinfection. In order for disinfection to occur properly, the disinfectant must be able to come in direct contact with the intended surface.

canadamedical.net

We help healthcare professionals and institutions reduce the cost of their medical supply and equipment requirements without impacting service. Canada Medical strives to be the company that best understands and satisfies the products and services of the medical supplies industry.
